

## RESIDENTIAL COURSES

## **TEACHING AT SHOPS**

At the moment I'm booked to teach workshops at the following shops; many shops only do their workshop programmes 6 months at a time, so keep watching this space for bookings later in the year.

I haven't listed workshops that I'm doing at groups, as many groups find they can fill all the places from among their members, but if you'd like me to let you know of any workshops I'm doing around your area just e-mail me: [thelawthers@ntlworld.com](mailto:thelawthers@ntlworld.com)

Below this list, I've also added details of trips I'm doing further afield around the UK, just in case I'm coming anywhere near you ...
